

**Approved variation to an enforceable undertaking between
Swift Engineering Pty Ltd
and
The Department of Employment and Industrial Relations
accepted 31 May 2007**

Date of variation approval: October 2009

Details of variation:

Amended clause 19 to read:

Swift Engineering Pty Ltd acknowledges that Workplace Health and Safety Queensland will conduct a series of audits to ensure conformance with this undertaking. The following compliance audit schedule is agreed:

- a. The first workplace health and safety compliance audit to be conducted during November 2009.
- b. The second workplace health and safety compliance audit to be conducted during May 2010.
- c. The third workplace health and safety compliance audit to be conducted during November 2010.

Further audits will be conducted at six-monthly intervals, as necessary, until all matters are completed.

Additional clause 19(a) to read:

Swift Engineering Pty Ltd acknowledges its responsibility to cooperate with the department's compliance auditor and will ensure relevant material (evidence of compliance) will be available.

Additional clause 19(b) to read:

Swift Engineering Pty Ltd acknowledges that the department may initiate additional compliance audits as considered necessary, at the department's expense.
