Leadership Program Case Studies

EDITABLE PDF	Please complete fields below before submitting.		
Your organisation's name			
Briefly describe your project and its purpose			
List and briefly describe the project's key initiatives and/or solutions to an identified problem and how these improve workplace health and safety in your organisation and/or industry generally			
List or state how senior management in your organisation is involved in and supports this project			
Identify the outcomes and benefits of this project (i.e. how it has positively impacted on your organisation—behaviour, culture, productivity etc.)			
What are the benefits of this project which could impact on the industry and be used by other organisations?			
List two or three key lessons learnt from the success of your program/solution etc.			
List one or two contacts (name, position, phone number and email address) in your organisation			
Your organisation's website			
NOTE	<ul style="list-style-type: none"> • Please send your completed case studies to zeroharm@justice.qld.gov.au or call Greg Lauman on 07 3006 4182. • Please minimise your case study to approximately two pages in total. • If you have any relevant photographs to support or showcase your project, please attach these to your case study. Both GIF and JPEG image files are acceptable.
